

**GASOLINE DIRECT INJECTION (GDI)**

# WHAT'S IN YOUR BOX?

[StandardWhatsInYourBox.com](http://StandardWhatsInYourBox.com)

## Everything Needed for a Complete Repair

To help improve fuel economy, vehicle manufacturers have quickly adopted Gasoline Direct Injection (GDI) technology. The industry-leading Standard® GDI Program is continually expanding, and includes everything technicians need to perform a complete GDI service.

As the aftermarket's fuel injection and fuel system leader, Standard® offers the most complete new, not reman, GDI program – GDI Fuel Injectors, GDI High-Pressure Fuel Pumps, GDI Fuel Feed Lines, GDI O-Rings, Gaskets, Seal Kits, GDI Service Kits, Camshaft Followers and more!

---

**What's inside the Standard® box...  
innovative design, advanced engineering  
and over 100 years of experience.  
What's in your box?**

---

Optimal fuel injection performance takes quality components, expert manufacturing and extensive testing. And that's precisely what Standard® delivers.

**500+**  
GDI NUMBERS

The industry's most complete  
GDI Program

**100%**  
NEW, NEVER  
REMANUFACTURED

Always NEW, never  
remanufactured

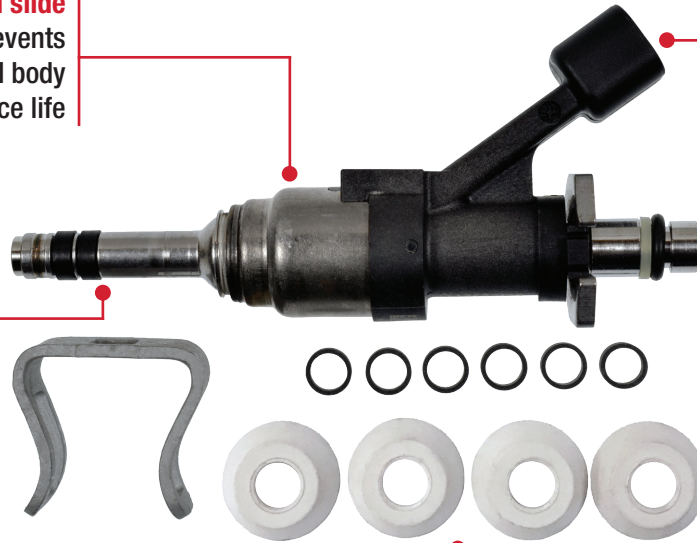

Precision engineered and  
rigorously tested to ensure  
optimal performance

# We know that optimal performance begins with quality components.

**Stainless steel calibration slide and spring assembly** prevents corrosion within fuel control body leading to extended service life

**Precision-wound and trimmed solenoid windings** allow computer to command efficient fuel delivery

**High-temp Viton® O-rings** enable prolonged sealing of injector under extreme heat conditions

**Standard® FJ1217  
New GDI Fuel Injector  
Chevy/GMC Truck (2019-14)**

**Additional O-rings and umbrella seals** are included to ensure a trouble-free install

**Included retaining clip** keeps the injector in position while protecting against vibration

## This is what a complete, top quality GDI program looks like.

The best GDI injector can't perform as designed with restricted fuel lines or worn gaskets. Standard's GDI Program offers technicians everything they need for a complete GDI fuel system service.

**GDI Camshaft Followers**

**15+  
SKUs**

**GDI High-Pressure Fuel Pumps**

**70+  
SKUs**

**GDI High- & Low-Pressure Fuel Feed Lines**

**75+  
SKUs**

**GDI Fuel Pressure Sensors**

**90+  
SKUs**

**GDI O-Rings, Gaskets, and Plates**

**10+  
SKUs**

**GDI Injector Seal and Service Kits**

**20+  
SKUs**

For more than 100 years, when the OE failed, technicians trusted Standard® and Blue Streak® to deliver a part that's equal to or better than the original it's replacing.
