Integrated Door Lock Actuators

14 New SKUs Available

Integrated door lock actuators combine electrical actuation with latching mechanization. With more than 240 SKUs and coverage for more than 90 million VIO, Standard[®] and Intermotor[®] are your go-to source for Integrated Door Lock Actuators. Each unit features a high-quality motor and gear assembly, and is a direct OE replacement to ensure proper fit, form, and function.
